

Developmental Services of Leeds and Grenville Annual Paint, Plant and Pottery Sale returns May 25th, 2019 from 9:00 a.m. - 12:30 p.m. at 328 Park Street, Brockville (across from the YMCA)

DSL, Krista Cameron, and the talented pottery students welcome the public to the 9th Annual Pottery, Paint and Plant Sale on Saturday, May 25, 2019 9:00 a.m. -12:30 p.m. The sale will be held at Developmental Services of Leeds and Grenville's, Central Park Connections. The students have been busy creating one-of-a-kind pottery pieces and original artwork for the sale.

This unique program allows everyone to express themselves through art. Krista has been sharing her love of pottery and art with people of all ages and abilities for many years. For many participants, this brings a sense of accomplishment. Purchasing a piece of original art will help the artists to feel validated and proud to contribute to their community! Artists also receive 50% of the sale, encouraging them to create more masterpieces!

Information on upcoming classes will also be available on the day. 50% of funds raised go straight back into providing pottery classes hosted through Developmental Services of Leeds and Grenville. Come on out and meet the people behind the art, pick up new treasures and make someone's day!
